### IMPORTANT INFORMATION

All students are advised to register themselves with the respective FRRO office as soon as they arrive in India. It is usually stipulated on the visa issued by the Embassy of India that all visitors to India are required to register themselves with the FRRO within 14 days on arrival.

It is also observed that due to late registration and delay in filing online applications for visa extension lots of difficulties are faced and heavy penalty is levied. Therefore, it is in the interest of all to make sure to apply for visa extension on the online portal of FRRO: [www.indianfro.gov.in](http://www.indianfro.gov.in) at least 15 days prior to expiry of visa.
